

## BMF AT TOOTING COMMON!

We will shortly start BMF classes on Tooting Common (See map). Please have a look at our website homepage [www.britmilfit.com](http://www.britmilfit.com) for more information on attending a **FREE** trial class.

Classes start **Tuesday 8th July at 6pm and 7.30pm** continuing every Tuesday at 6pm and 7.30pm, and Thursdays at 7pm. We meet in the car park just off Tooting Bec Road. All you need to do is print off a health questionnaire or register an interest on the homepage of our website, and come along to a trial class.

**The first class is FREE, so why not bring a friend!**

We provide challenging fitness classes for **ALL** ability levels in the great outdoors. Our fitness instructors have helped thousands of people to get fitter than they ever have been, lose weight and feel positive. The classes provide a refreshing change from the boredom of the gym. They last for one hour and are designed for all levels of ability - from the extremely fit, to people who have not exercised for years and are put off by the thought of working out on their own. Classes involve circuits, team and paired exercises, static and relay exercises all taken in a military style.

**Classes are: motivational, highly social, challenging and above all else the emphasis is on fun!**

**Classes do not involve: screaming and shouting, humiliating or degrading people in any way shape or form**

### Instructors

All of our instructors come from an Armed Forces background and have a recognised fitness qualification. We have a class ratio of, on average, one instructor to 15 members. This enables the instructors to pay each member more attention to ensure the exercises and activities are carried out safely and correctly to help the members get fitter quicker.
